Reviewing it in Due Diligence: Are You Buying an it Asset or Liability? (Paperback)

By Bryan Altimas, Christopher Wright

IT Governance Publishing, United Kingdom, 2015. Paperback. Book Condition: New. 198 x 128 mm. Language: English Brand New Book ***** Print on Demand *****. Mergers and acquisitions - are you getting an IT asset or liability? I found this book very interesting. Due diligence is one of those functions that happens way before us IT ers get involved and so this is a useful insight into the work that happens up front and the evidence we can obtain for our work even if we were not involved in the initial due diligence. Chris Evans, ITSM Specialist Being new to this subject I found the guidance solid and presented in an excellent style. I found it an excellent and informative read. Brian Johnson, CA When you merge with or acquire another business, you also gain their IT and data. In an ideal world this integration would be seamless and easy. In reality, however, this is often not the case. Mergers can, for example, lead to the loss of sales systems or to badly configured data. The problems don t stop in the computer room, either - they affect the whole of the business and the success of the merger/acquisition. Don t make...
