THE UNITED STATES PRIOR TO 1890. Before entering upon a detailed account of what naval experts of all nationalities have conceded to be the most interesting and important naval event of that remarkable century (the nineteenth), whose later years many of my older readers can doubtless remember, I will endeavor to present in as brief and concise a manner as possible, a summary of the events which preceded it, and the causes which led up to it; as without such an explanation the story of the battle itself would possess little or no historical value. The first thing which it is necessary for me to explain, 3 my reason for choosing the title The Battle of the awash. I am not aware that this title has ever been used before, but if the reader will consult a chart of the Harbor of New York, he will at once see the propriety of it. It will be seen that what is known among pilots as the V W Swash, is a straight channel, forming a sort of a hypotenuse to the two sides of the main ship channel, which bends almost at a right angle at the Southwest spit. Assuming, therefore, that the Narrows is effectually blockaded with torpedoes or other obstructions, and that an attacking fleet desired to bombard New York at long range, and at the same time be in a position to withdraw easily and quickly in case of repulse...
