Adobe After Effects CS6 Visual Effects and Compositing Studio Techniques (Mixed media product)

By Mark Christiansen

Pearson Education (US), United States, 2013. Mixed media product. Book Condition: New. 229 x 185 mm. Language: English . Brand New Book. This is the only book to focus exclusively on the creation of visual effects for After Effects, and is a one-stop resource for anyone who wants in-depth explanations that demystify the realm of visual effects and how they were created, thanks to veteran author Mark Christiansen's friendly and accessible style. A thoroughly packed, informative read, this masterful guide focuses on explaining the essential concepts, features, and techniques that are key to creating seamless movie-quality visual effects. Users who are comfortable with After Effects will find a helpful review of the fundamentals-managing footage, viewing and editing layers, animating type, and more-so they can learn how to work smarter and more efficiently. Readers of all levels will learn core techniques for effects compositing including color matching, keying, rotoscoping, motion tracking, emulating the camera, and concluding with using expressions in After Effects, written by contributor and expert Dan Ebberts. The final section of the book delves into creative explorations, demonstrating professional effects that readers might want to re-create. Readers will also find comprehensive coverage of all that's new in...
