The book Eleven Words... is a collection of eleven inspirational, informational, and motivational messages that are based on selected passages of scripture that only contain eleven words in the New King James Version of the Holy Bible. For example, the first chapter, Eleven Words for the ProcrastinatorFreeloader! is supported by eleven words of scripture found in Joshua 18: 3, How long will you neglect to go and possess the land. This chapter explores the reasons why many of us often fall victim to a spirit of procrastination, which causes us to stall or neglect to move forward and take possession of that which God has already prepared for us. Eleven Words..., although based on Biblical Scripture, is written in a straight-forward, often humorous manner that is easy for readers of any religious background to understand. It includes personal experiences and real-life scenarios, and it provides insight and suggestions that will help the reader handle difficult and challenging situations.
