Amazon Publishing, United States, 2012. Paperback. Book Condition: New. Reprint. 203 x 140 mm. Language: English . Brand New Book. Her face forever changed by a tragic fire, Anne Moreland returns to her hometown of Hidden Falls, hoping to resume her old life. But nothing is the same. Her brother is gone; his nemesis is back in town; and the man who meets her train is a stranger, a handsome stranger who carves the most incredible carousel horses. He s a man who loves beauty and adventure - absolutely the wrong man for a scarred woman who is building a new life for herself in Hidden Falls. No matter how wonderful he is, it would be foolish to dream of a future with Rob. Rob Ludlow will never settle down, at least not until he s resolved the mystery from his past. And when he does settle down, no matter how much he might wish otherwise, it will not be with a woman like Anne. She deserves far better than an itinerant craftsman. She deserves a man who can give her all the luxuries she had before the fire. Yet it hurts him deeply to see her being courted by the wealthiest man in town. Anne and Rob reconcile themselves to the fact that they will only be friends, nothing more. But sometimes Fate has other ideas and love blossoms in the most unexpected places.
