Hey, One day those condoms in your Pocket will turn to Tums. During that journey, you might even realize wearing a Shirt with a random number on it, is kinda dumb. A lot of life question and trouble is headed your way. Comedian John Heffron and Topher Morrison may have just made your life a lot easier. by giving you the most important insight and tools you never knew you needed. The 2.5 of stuff that actually matters, that will net you the results you really want in life, whether you know it yet or not. It's not a comprehensive, uber-philosophical treatise on becoming a superior 21st century man. - it's a quick read (one bathroom trip may be enough) with a lot of answers you are going to need to know in one place. I Come to You from the Future is all about fast and furious and sometimes funny strategic tips from guys who have been there and done that more times than you can count. My goal is to prepare you to meet your future; so the guy staring back at you in the mirror in 20 years isn't some middle-aged douche wondering why his life sucks.
