Brand New Book ***** Print on Demand *****.Excerpt from Proceedings of the United States National Museum, Vol. 12: 1889 The extension of the scope of the National Museum during the past few years, and the activity of the collectors employed in its interest, have caused a great increase in the amount of material in its possession. Many of the objects gathered are of a novel and important character, and serve to throw a new light upon the study of nature and of man. The importance to science of prompt publication of descriptions of this material led to the establishment, in 1878, of the present series of publications, entitled Proceedings of the United States National Museum, the distinguishing peculiarity of which is that the papers are published in pamphlet form as fast as completed, and in advance of the bound volume. The date of publication being plainly expressed on each article the ready settlement of questions of priority is assured. The present volume constitutes the twelfth of the series. The articles in this series consist: First, of papers prepared by the scientific corps of the...

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
-- Natalie Abbott

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be playful, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.
-- Rene Olson
