Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Key to Business Shorthand This book is not intended to encourage laziness, or the shirking of the necessary amount (not large) of close attention and work which must be done by the student to acquire efficiency in this new and better way of writing, but to aid in presenting the subject so fully and clearly that no attentive person need make a mistake or waste any time or effort in learning and to lighten the work and increase the efficiency of the teacher. In these matters an ounce of prevention (of mistakes) is worth many pounds of cure (corrections) to both learner and teacher in the saving of time and unnecessary work. Students in schools will find the arrangement and presentation of the subject in Business Shorthand and this Key the most direct, expeditious and economical possible; while those who must learn at home, or without a teacher, will find the method of instruction and the large amount of material furnished for practise drill to be just what they need to bring desired results. By following out the plan outlined in Suggestions to Teachers and Students on page 88 and following, the teacher will find that by this method he is relieved entirely from the tedious, wasteful and vexatious drudgery of correcting exercises, and as a consequence, by proper management, can successfully conduct large as well as small classes without being overburdened. Heretofore crude and difficult systems, costly outfit of books, etc., slow and discouraging methods of instruction, with attendant large percentage of failures, high-salaried, special teachers, involving large expense, have prevented the introduction of shorthand and typewriting in many schools where otherwise they would...
