Brand New Book ***** Print on Demand *****.The Puritans used to say that providence is the last refuge of the saints. Melvin Tinker s personal experience and work as a pastor have led him to believe that the doctrine of God s providence should be amongst the first refuges for the Christian seeking strength and comfort. From the early church right through into the nineteenth century, belief in providence was part of the staple diet of professing Christians. For various reasons, the doctrine was eclipsed in the nineteenth century, and yet it still lies on the edges of much Christian thought and practice today. However, rightly understood, the providence of God shines as a glorious jewel in the crown of the Christian faith. Melvin Tinker s exposition of the wonderful facets of that jewel is both pastoral and practical. Is anybody in charge around here? Does anybody care about me? The answer to both these questions is God and that is the Christian doctrine of providence. In this easy-to-read book, Melvin Tinker brings home to us what that means in practice as we see God working his purposes in our lives. There are no simple answers, but Tinker can make hard things clear and help us understand who is watching over us and why. There is no dumbing down, nor going further than the Bible itself takes us, in order to make matters simpler than they are. . . . Intended for Good deserves a big welcome! --Paul Helm, Regent College,...
