Good is not enough when you can reach excellence and extraordinary results. Since I learned the significance of entrepreneur, I have seen that my major concern is not to confuse any entrepreneurs, but to guide them to be professionals with the knowledge of what I learned in college. I hope that this book can be a guide of concepts, anecdotes, and business example of undertaking. It is important that you get inspire by other people with success, you can copy their ideas and you can even give them your personal touches. You can also create your own ideas and received help from the experts if you needed. This permits you to create your own business; you can reestablish your projects of the experience of other have learned and undertook with success.
