## The Seldom-Ever-Shady Glades: Poems and Quilts (Hardback)

By Sue Van Wassenhove

Boyd's Mills Press, United States, 2008. Hardback. Book Condition: New. 284 x 229 mm. Language: English . Brand New Book. Poems and quilts pay tribute to the unique creatures and landscape of the Everglades. The unusual waterways and exotic vegetation of the Florida Everglades create a home rich with sea creatures and wildlife, especially birds. Colorful and often majestic, these feathery residents evoke images that can tickle the imagination: the ballerina-like spoonbill; the biker-cool, wild-eyed cormorant; the snowy egret, elegantly dressed in white tails and black spats. Sue Van Wassenhove, who lived in Florida for many years, shares her passion for the Everglades in thoughtful poems and in an unusual twist with breathtaking quilts, creating a one-of-a-kind poetry book for readers to savor.

### Reviews

*Thorough manual for ebook fans. it had been written quite properly and valuable. It is extremely difficult to leave it before concluding, once you begin to read the book.*
