

Sensorimotor Psychotherapy: Interventions for Trauma and Attachment

By Pat Ogden, Janina Fisher

WW Norton & Co. Hardback. Book Condition: new. BRAND NEW, Sensorimotor Psychotherapy: Interventions for Trauma and Attachment, Pat Ogden, Janina Fisher, The body's intelligence is largely an untapped resource in psychotherapy, yet the story told by the "somatic narrative"--gesture, posture, prosody, facial expressions, eye gaze, and movement--is arguably more significant than the story told by the words. The language of the body communicates implicit meanings and reveals the legacy of trauma and of early or forgotten dynamics with attachment figures. To omit the body as a target of therapeutic action is an unfortunate oversight that deprives clients of a vital avenue of self-knowledge and change. Written for therapists and clients to explore together in therapy, this book is a practical guide to the language of the body. It begins with a section that orients therapists and clients to the volume and how to use it, followed by an overview of the role of the brain and the use of mindfulness. The last three sections are organized according to a phase approach to therapy, focusing first on developing personal resources, particularly somatic ones; second on utilizing a bottom-up, somatic approach to memory; and third on exploring the impact...
