Booksurge Publishing, United States, 2009. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A veteran ghost rescuer, Sandra Staves has spent decades studying the paranormal. Her first interaction with a ghost was triggered by her own search for answers about life after death, and since then she has dedicated her career to helping ghosts find closure and move through the planes of spiritual existence. Staves methods are gentler than those featured in contemporary Hollywood films: she utilizes peaceful, compassionate practices to confirm the presence of spirits lingering in the Earthly plane, and to facilitate their transition onward. By sharing her own experiences with hauntings, Staves debunks much of the superstition and mythology that dominates popular belief. Ghost Rescues is not a collection of campfire ghost stories; rather, it is a unique book full of expert insight to help those experiencing a haunting find understanding and resolution.
