By Ian Halperin

These shows would have earned millions for the singer and his entourage, but he could never have completed them, not mentally, and not physically. Michael knew it and his advisors knew it. Anyone who caught even a fleeting glimpse of the frail old man hiding beneath the costumes and cosmetics would have understood that the London tour was madness. Why did it happen this way? After an intense five year investigation, New York Times bestselling author Ian Halperin uncovers the real story of Michael Jackson's final years, a suspenseful and surprising thriller. book.
