

## The NSTA Quick-Reference Guide to the NGSS: Middle School

---

By Ted Willard

National Science Teachers Association. Paperback. Book Condition: new. BRAND NEW, The NSTA Quick-Reference Guide to the NGSS: Middle School, Ted Willard, Next time you need quick answers about the Next Generation Science Standards, turn to The NSTA Quick-Reference Guides to the NGSS. The guides are available in three grade-specific versions - one each for elementary, middle, and high school - plus a version for K-12. Each book provides the appropriate performance expectations; disciplinary core ideas; practices; crosscutting concepts; connections to engineering, technology, and applications of science; and connections to nature of science. The guides are designed to be used with the NGSS. The books' emphasis is on easy. In addition to helping you find the parts of the standards most relevant to you, you can readily acquaint yourself with their formats and find out what each of the different parts means. The Quick-Reference Guides are indispensable companions to the NGSS for science teachers at all levels, but they're equally essential to administrators, curriculum developers, and teacher educators who are incorporating the NGSS and want to help others do so as well.

### Reviews

*Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*

-- **Otis Wisoky**

*This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).*

-- **Dr. Everett Dicki DDS**
