

Mormonism for Beginners (Paperback)

Filesize: 5 MB

Reviews

Excellent electronic book and helpful one. It usually does not cost a lot of. I am quickly will get a pleasure of reading through a written publication.

(Bernardo Feeney Jr.)

For Beginners, United States, 2016. Paperback. Book Condition: New. Jett Atwood (illustrator). 229 x 152 mm. Language: English . Brand New Book. Mormonism For Beginners is a balanced, richly engaging introduction to the history, tenets, practices, traditions, and yes, debates and controversies of this uniquely American Protestant movement. Designed for the uninitiated or younger members of the Church of Jesus Christ of Latter-day Saints (LDS), this book presents the history of the movement from Joseph Smith to the 21st century along with the key doctrines of the faith in the context of everyday life, as well as the essential scriptures. Not least of Carter and Atwood s accomplishments is addressing such headline-grabbing issues as polygamy, same-sex marriage, and the role of women in the LDS church in dispassionate, even-handed terms. Their goal is to shed a clear light on an often misunderstood belief system and way of life.
