Routledge, 2011. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "This is a book that lives up to its title. Many edited collections merely involve summaries of other scholars' research, but this one offers original work and new perspectives on a wide range of topics, from historical analysis to the most contemporary congressional context. New Directions in Congressional Politics will be useful to undergraduate students and professional researchers alike." --David W. Rohde, Duke University "New Directions in Congressional Politics is a fine new collection of essays, many by leading younger congressional scholars, that collectively provide a thorough and accessible account of what political scientists know about the House and Senate." --Gary Jacobson, University of California San Diego "New Directions in Congressional Politics is an impressive volume, offering a superb lineup of congressional experts who have been central to building the corpus of scholarship on the U.S. Congress. By highlighting both past scholarship and potential future directions for research, New Directions will be a valuable and accessible resource for students and faculty for years to come." --Sarah Binder, Brookings Institution and George Washington University "This innovative volume reviews the current state of research on the United States Congress. Readers will find the essays an invaluable source of information for better understanding both chambers of Congress as well as examinations of the role of Congress in the American policymaking process." --John David Rausch, Jr., West Texas A&M University "New Directions in Congressional Politics is an outstanding collection of original essays by leading scholars of congressional politics. This is a book all students of Congress and of American politics should read." --Walter J. Stone, University of California Davis "With its rich theoretical and empirical insight, New Directions in Congressional Politics is an enjoyable 'must-read' for students of..."
