Summary: " Ten Virtues of Outstanding Leaders is an extraordinarily insightful, compelling, and timely discussion of the very foundation of leadership--the character of leaders. Al Gini and Ronald Green powerfully and persuasively make the case that it's imperative for leaders to be attuned to their ethical responsibility to others. And they are right. In an era in which it often seems that anything goes, it's vital that every leader and every leadership educator take Gini's and Green's message to heart. It's vital not only to their personal success, it's vital to the long-term viability of our society. Ten Virtues of Outstanding Leaders is a must-read, and I urge you to get started immediately." --Jim Kouzes, coauthor of the bestselling *The Leadership Challenge* and *The Dean's Executive Fellow of Leadership*, Leavey School of Business, Santa Clara University " Ten Virtues of Outstanding Leaders..."
